### **Palm Springs Aerial Tramway Featured On Empire/KVCR PBS Program "Uncovered in the Archives" Set to Air September 29, October 4 and October 9**

**PALM SPRINGS, CA** (September 25, 2019) Historical records of the **Palm Springs Aerial Tramway** will soon be revealed in an episode of the popular **Empire/KVCR PBS** series **"Uncovered In the Archives."** Series host **Brad Pomerance** travels to Palm Springs to sift through the Tramway's archives to learn how this world-renowned Southern California attraction came to be. The 30-minute episode is set to premier on September 29, 2019 at 9:30 p.m. with two subsequent air dates of October 4 and October 9.

According to Pomerance, "The Palm Springs Aerial Tramway holds so much history in Palm Springs that to have access to the archives of this iconic attraction was truly a treat for me."

"Uncovered in the Archives" travels throughout Greater Inland California to reveal some of the region's most extraordinary historical events and places—known and unknown, remembered and forgotten—all told through the hidden treasures that are discovered in the destinations visited.

The series is produced for **Empire KVCR/PBS** by **Big Mist Productions** and the **Endeavor Production Company**, with **C.J. Eastman** serving as executive producer and **Glenn Grant** as creative director.

#### **About Palm Springs Aerial Tramway:**

The Palm Springs Aerial Tramway is the world's largest rotating tram car. Opened in 1963, the Tram's 80-passenger cars travel along the breathtaking cliffs of Chino Canyon from the Valley Station (elevation 2,643 ft.) to the Mountain Station (elevation 8,516 ft.) in approximately 10 minutes. For more information, please call 888.515.TRAM or 760.325.1391, or visit us at [www.pstramway.com](http://www.pstramway.com). Also, download the free mobile tour now available in the App Store/Google Play.
